

A HEALTHY, CARING COMMUNITY  
OF PROSPERITY AND INNOVATION

# Bruce County is exploring ways to improve energy efficiency

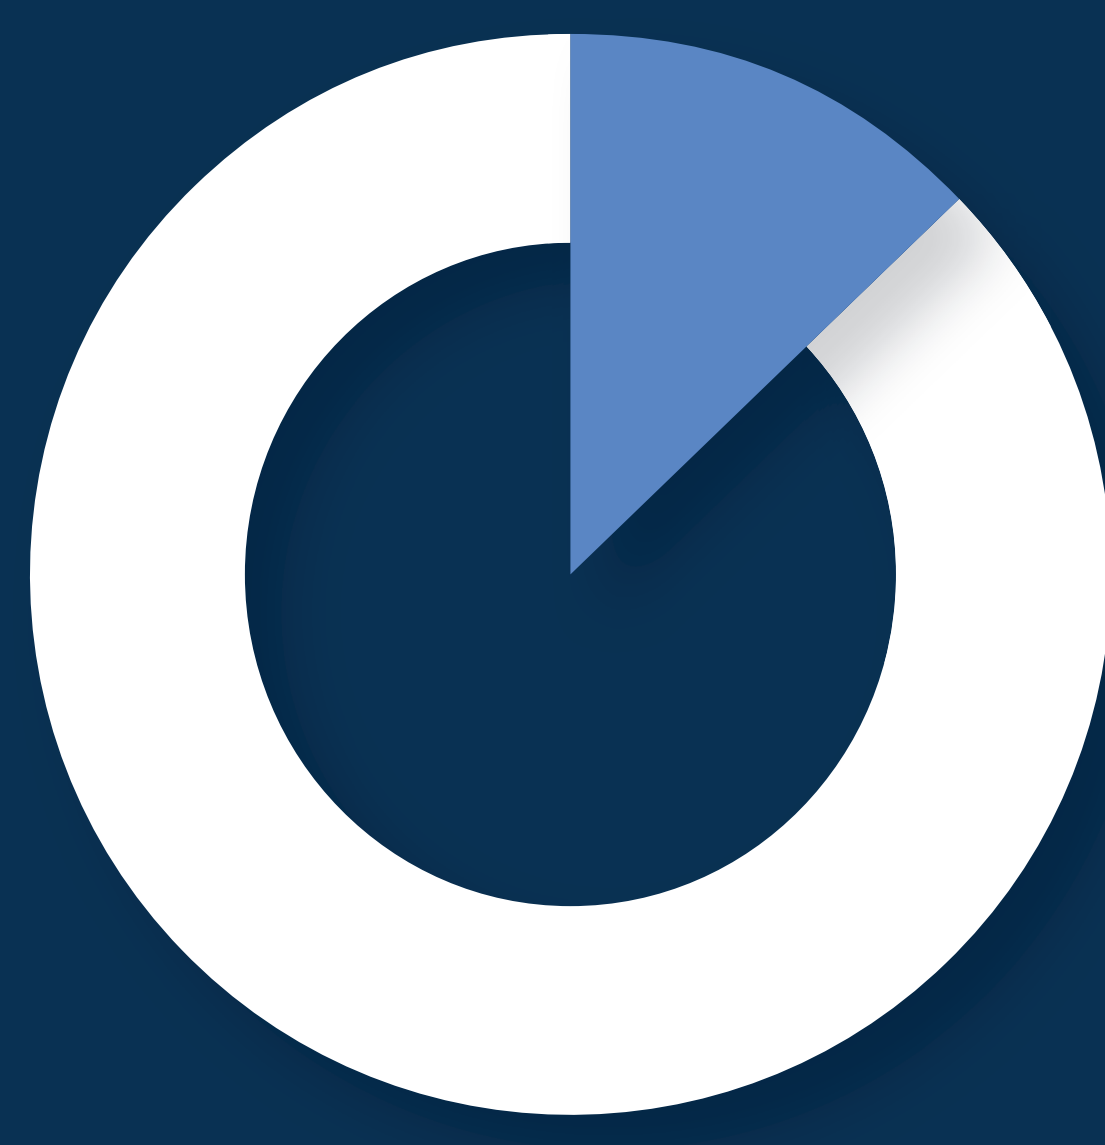

The following buildings will be retrofitted for energy savings

- Museum & Cultural Centre
- Brucelea Haven Long Term Care Home
- Gateway Haven Long Term Care Home
- Bruce County Administration Centre

Benefits from our Energy Project

**37%**  
reduction in  
energy costs

**13%**  
lower greenhouse  
gas emissions  
equivalent to taking  
**59 cars**  
off the road

**18%**  
reduction in energy  
consumption,  
which represents  
the energy needed for  
**77 houses**
